

May 1, 2022 (67 day)

In the temporarily occupied territories of Ukraine, the Russian occupiers are stealing agricultural machinery and grain stocks. On April 29, 1,500 tons of grain were exported to Crimea. The export of food supplies can be qualified as a crime of genocide, because in this way the local population of **Kherson region**, which is already on the verge of a humanitarian catastrophe, may be left without sufficient food to live on.

In the **Kherson region**, problems with mobile communication were reported by Ukrainian operators: mobile Internet and communication disappeared. In Kakhovka, the Russian military abducted deputy Igor Protokovylo and school principal Viktor Pandalchuk.

Mobile communication from Ukrainian operators has also disappeared in the **Zaporizhia region**.

On the evening of April 30, a rocket attack damaged the runway of **Odessa** airport. The rocket was launched from the territory of the temporarily occupied Crimea.

The enemy continues to launch air strikes on the city of **Mariupol**. The Azovstal plant was completely destroyed, all the premises and the plant and residential buildings nearby were turned into ruins. With the support of **the UN**, 40 civilians were evacuated from Mariupol to the occupied part of the Donetsk region. It is also reported that another 100 people were evacuated to the territory controlled by Ukraine.

During the past 24hrs, 9 civilians were injured in **Donetsk region**.

In the **Luhansk region**, the Russian military opened fire on residential areas of cities 19 times (12 houses became uninhabitable), and in Komyshevas near Popasna, a village council building and an apartment building were destroyed. A gas pipeline was damaged in Lysychansk. Village Zolote has destruction of 70%.

In the **Mykolaiv region** the Russian occupiers aimed at warehouses with nitrate.

The Russian military has launched three strikes in the northern and eastern districts of **Kharkiv** and near the airport. Authorities are urging city residents to remain in hiding even when there is no air alert.

As a result of the armed aggression of the Russian Federation **219 children were killed**, 404 - wounded.
