

**May 12, 2022 (78 day)**

Tonight at 00:20 the Russian occupiers struck at the city of Novgorod-Siversky of the **Chernihiv region**. The air strikes destroyed critical infrastructure facilities, schools (Ushinsky boarding school and school №2), damaged the building of the district state administration, the dormitory of the medical college, a shop and private houses that were nearby. As a result of the air strike, 3 people were killed and 12 were injured.

At night, the occupiers used cluster and phosphorus munitions prohibited by international conventions in the **Dnipropetrovsk region**. In the morning, when people were going to work, the city of Zelenodolsk was shelled by Hurricane volley missile systems, one person was killed and one was injured. In Velyka Kostroma, an energy infrastructure facility was destroyed.

The Russian military launched a missile strike on **Zaporozhia**, damaged a private building.

**Luhansk region** is currently without water supply and electricity. Virtually all critical infrastructure is damaged, and some power lines cannot be repaired due to constant shelling. In Popasna, the Russian military is kidnapping activists.

In **Mariupol**, shelling of the Azovstal plant continues and exits are blocked.

Another bombing of the **Kremenchug refinery** was carried out today, and 8 to 12 Russian missiles were used at the plant and adjacent infrastructure.

The **United Nations High Commissioner for Refugees (UNHCR)** reports that more than **6 million people** have fled Ukraine due to the war with Russia. This is one of the most serious refugee crises since World War II.
