	organization
	organization.
	PLO 13. Speak and write in state and foreign languages.
	PLO 14 . Identify the causes of stress, adapt yourself and team members to a stressful situation, find ways to neutralize it.
	PLO 15 . Demonstrate the ability to act socially responsibly and
	socially consciously on the basis of ethical considerations (motives),
	respect for diversity and interculturalism.
	PLO 16 . Demonstrate skills of extracurricular work, flexible
	thinking, openness to new knowledge, be critical and self-critical.
	PLO 17. Perform research individually and / or in a group under the
	guidance of a leader.
	PLO 18 . Demonstrate the ability to analyze and calculate economic and
	non-economic indicators of the enterprise.
	PLO 19 . Demonstrate the ability to design innovation processes
	(target formation, planning, organizational structure, incentives,
	control).
	PLO 20 . Demonstrate the ability to develop plans and strategies for
	creating and developing a business in a challenging environment.
8 – Re	esource support for the programme implementation
Personnel support	The Department of management of SUTE is responsible for training
	and graduation of specialists. The head of the department has the
	degree of Doctor of Science and the academic title of Professor.
	96% of lecturers who provide the process of learning bachelors in the
	educational programme "Business Management" have a degree and /
	or academic title.
	Employment contracts have been signed with all scientific and
	pedagogical workers.
	The participation of foreign specialists and practitioners in the
	teaching of disciplines of the training cycle is possible.
Material and	Availability of premises for conducting training sessions and control
technical support	activities – 4 m2 per person.
	60% of classrooms are equipped with multimedia equipment. There
	is a specialized computer class with modern hardware and software
	resources that provide high-quality bachelor's degree training in the
	educational programme.
	SUTE infrastructure: libraries, including a reading room, food
	outlets, assembly hall, sports halls, Stadium, Medical Center,
Tu fo mu - 4'	dormitories.
Information,	General scientific and special sources of information on trade
teaching and	management, educational, methodological and monographic
methodological	literature, information resources of the distance learning system and the Internet.
support	
	There is access to databases of periodicals in English of a corresponding or related profile (it is allowed to share the databases
	with several educational institutions).
	There is an official website of SUTE, which contains basic
	information about its activities (structure, licenses and certificates of
	accreditation, educational / Educational-Scientific / Publishing /
	attestation (scientific personnel) activities, educational and scientific
	structural divisions and their composition, list of academic
	disciplines, admission rules, contact information):
	https://knute.edu.ua
	Intposs Androidu.uu

	The Department of distance learning support of SUTE has														
	educational and methodological materials on the academic disciplines														
	of the curriculum: http://dist.knute.edu.ua/														
	9 – Academic mobility														
National Credit	Short-term training of students of all educational levels (except for														
Mobility	bachelors of the first year of training) in pre-defined courses with														
	credits in universities of Erasmus + member countries with														
	compulsory recognition of learning outcomes (credit transfer) for a														
	period of 3 months (minimum) to 12 months (maximum).														
	For internship - from 2 to 12 months.														
International	International credit mobility is implemented by concluding														
Credit Mobility	agreements on international academic mobility Erasmus + option K1														
	/ credit mobility, on double graduation, on long-term international														
	projects that provide for the training of students and the issuance of														
	a double diploma, etc.														
Training of foreign	Conditions and features of the educational programme in the context														
students	of training of foreign citizens: awareness of the Ukrainian language														
	at a level not lower than B1.

* For all components of the educational programme, the form of final control is an examination.

^{3.2.2.} Structural and logical scheme of EP

3.3. Forms of student's certification

Certification of students is carried out in the form of Bachelor's thesis public defense.

Bachelor's thesis should involve the solution of a complex specialized task or a practical problem in the field of management, characterized by the complexity and uncertainty of conditions, with the application of theories and methods of economic science.

The final Bachelor's thesis must not contain academic plagiarism, fabrication or falsification.

The final Bachelor's thesis must be placed on the official website of SUTE.
