For all components of the educational program, the form of final control is an exam.

2.2. Structural and logical scheme of EP

2. Form of competence assessment of applicants for higher education

Competence assessment is carried out in the form of public defense of the final qualifying work and qualification exam.

The final qualifying work should include theoretical and analytical generalizations or solutions to practical problems in the field of tourism and recreation using theories and methods of tourism.

The final qualifying work must be checked for plagiarism.

The final qualifying work must be published on the official website of the higher education institution or its structural unit, or in the repository of the higher education institution.

The attestation exam should be aimed at verifying the achievement of learning outcomes defined by the standard of higher education and the educational program.
