2.2. Structural and logical scheme of EP

3. Final assesment of graduates

Certification of students of the second (master) level of higher education in the speciality 081 «Law» is carried out in the form of:

- complex qualifying examination (examinations) in accordance with the procedure established by the Cabinet of Ministers of Ukraine;
- public defense of the Master's thesis.

The Master's thesis should include the solution of research and / or innovation problems in the field of lawmaking and law enforcement or other issues in the field of law.

The Master's thesis shall not contain academic plagiarism, fabrication and / or falsification.

The Master's thesis should be made public on the website of the higher education institution / its subdivision or in the repository of the higher education institution.

Publication of the Master's thesis, containing information with limited access, is carried out in accordance with the requirements of current legislation.

If a student passes certification successfully, he is issued a standard document on the award of a master's degree with the qualification: degree of higher education; master's degree in specialty "Law"; specialization "Commercial Law".
