	deliver ready meals											
	1492 Managers (administrators) in the field of culture, recreation											
	and sports 1229.6 Heads of departments in the field of culture, recreation and											
	sports											
	1229.7 Heads of other main divisions in other spheres of activity 1238 Project and program managers											
	1225 Heads of production units in restaurants, hotels and other											
	accommodations											
	1317 Managers of small enterprises without management staff in											
	commercial services											
	2320 Teachers of secondary schools											
	2310.2 Other teachers of universities and higher educational											
	establishments											
	2351.1 Researchers (teaching methods)											
	2359.1 Other researchers in the field of education											
	2359.2 Other specialists in the field of education											
	-											
	2412.1 Researchers (work, employment)											
	2419.1 Researchers (marketing, business efficiency, production											
	rationalization)											
	2481 Professionals in the field of tourism											
	2481.1 Researchers (tourism, sightseeing)											
	2481.2 Tourism experts											
	2483 Professionals in the field of sanatorium-resort business											
	2483.1 Researchers (recreation)											
	2483.2 Sanatorium and resort professionals											
	2441.2 Economists											
	Brand manager of territories											
	SMM manager											
	Obtaining professional certificates based on the results of practical											

	training
Further study	Master can continue education at the educational and educational-
opportunities	scientific level, improve qualification and receive additional postgraduate education.
	5 – Teaching and assessment
Teaching and learning	Student-centered learning, self-study, problem-oriented learning.
- ••••••••••	Lectures, practical classes, independent work on the basis of
	textbooks, manuals and lecture notes, learning through practical
	training and professional internships, consultations with teachers,
	preparation of final qualifying work.
Assessment	Written exams, solving situational practical tasks, presentations,
	surveys, testing, essay writing, cases, public defense of the final
	qualifying work, etc. Assessment is carried out in accordance with the "Regulations on the assessment of learning outcomes of students
