

## L'UNIVERSITÉ Grenoble Alpes

### **Université Grenoble Alpes (UGA)**

As of January 1<sup>st</sup>, 2016, Grenoble's three universities – Université Joseph Fourier, Université Pierre Mendès France and Université Stendhal – merge to become a single university Université Grenoble Alpes (UGA).

The Université Grenoble Alpes (UGA) is a comprehensive university offering high-quality training in all academic disciplines and at all levels: undergraduate, master's, doctorate, as well as certificate programs and student exchanges. A public university, the UGA embraces France's values for higher education.

UGA's mission is to achieve excellence in undergraduate and graduate education, research, innovation and public service. The university provides superior and comprehensive educational opportunities at all levels, from bachelor to PhD.
