State University of Trade and Economics (Ukraine)

LETTER OF SUPPORT

Dear colleagues and students!

The president of the doctoral commission in Economics at the University of Manouba expresses its respect to the State University of Trade and Economics during difficult time of military invasion in Ukraine and shows its support to all academic and students community.

We are glad to collaborate with the State University of Trade and Economics and also with the Department of Journalism and Advertising of this university and sending our best wishes for safety life in Ukraine.

Nadia Abaoub Ouertani

Professor of Higher Education

President of the Doctoral Commission in Economics

Director of the Department of Economics

Business School of Tunis, University of Manouba
