## **LETTER OF SUPPORT**

**Dear colleagues!**

We would like to express our respect to the State University of Trade and Economics during difficult time of military invasion in Ukraine and show the words of support to all its academic staff and students.

State University of Trade and Economics is a leading high education institution of Ukraine and Paris School of Business is glad to have ability to organize scientific events together.

We are sending best wishes for peace for all Ukrainian people.

Best regards

*Dr. Khaled Guesmi*
