

IN OTHER WORDS

A Contextualized Dictionary
to Problematize Otherness

Monday, February 28th, 2022

As the multicultural and transnational **Editorial Board of *In Other Words***, we firmly believe that we all belong to one nation, humanity.

We are writing to express our support to the **State University of Trade and Economics** in Kiev, its staff and students, during the military aggression of Ukraine. We wish all Ukrainian people peace and safety.

War is never the solution, but the problem.

In solidarity
